COMMENTS INVITED ON BROADWING LOCAL SERVICES INC.
APPLICATION TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS
SERVICES

Comp. Pol. File No. 666

Comments Due: December 16, 2003

Section 214 Application
Applicant: Broadwing Local Services Inc.

On November 17, 2003, **Broadwing Local Services Inc. (Broadwing or Applicant)** located at **201 East Fourth Street, Cincinnati, Ohio 45201** filed an application with the Federal Communications Commission (FCC or Commission), requesting authority under section 214(a) of the Communications Act of 1934, as amended, 47 U.S.C. § 214(a), and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue the provision of U.S. domestic local services to customers in certain geographic areas.

The application states that the Broadwing seeks authority to discontinue the provision of U.S. domestic local services in the District of Columbia, Florida, Michigan, New York and Texas. The application indicates that Broadwing is non-dominant with respect to these services. Broadwing states that it has provided the notice required by the Commission's rules to send a copy of the application to the Secretary of Defense, Attn. Special Assistant for Telecommunications, and the public utility commissions and governors, where applicable, of the District of Columbia, Florida, Michigan, New York and Texas. Broadwing further states that it has never provided services to customers in the affected locations, and consequently, that it does not have any customers to notify of the planned discontinuance.

In accordance with 47 C.F.R. § 63.71(c), the application will be deemed to be automatically granted on the thirty-first (31st) day after the release date of this notice, unless the Commission has notified the Applicant that the grant will not be automatically effective. Accordingly, pursuant to section 63.71(c), absent further Commission action, Broadwing may not terminate service to the customers affected by this application until January 2, 2004. The Commission will normally authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

This proceeding is considered a “permit-but-disclose” proceeding for purposes of the Commission's *ex parte* rules, 47 C.F.R. §§ 1.1200-1.1216. Comments objecting to this application must be filed with the Commission on or before **December 16, 2003**. Such comments should refer to **Comp. Pol. File No. 666**. Comments should include specific information about the impact of this proposed discontinuance on the commenter, including any inability to acquire reasonable substitute service. The original and four (4) copies of the comments should be sent to the Office of the Secretary, Federal Communications Commission, 445 12th Street, S.W., Room TW-A325, Washington, D.C. 20554. Two (2) copies of the comments should also be sent to the Competition Policy Division, Wireline Competition Bureau, Federal Communications Commission, 445 12th Street, S.W., Room 6-A207, Washington, D.C. 20554, Attention: Carmell Weathers. In addition, comments should be served upon the Applicant. Commenters are also requested to fax their comments to the FCC at (202) 418-2345, Attention: Carmell Weathers.
